CATARAQUI REGION LAKE DATA AVAILABILITY

Appendix 2A

Below is a summary of data available for 45 lakes within the Cataraqui Region Conservation Authority jurisdiction from the years 2009-2015. Each highlighted cell represents a minimum of one sampling event throughout the year conducted by one or more organizations. Refer to the individual lake fact sheets for results and additional detailed data reference information.

Legend:
* = CRCA sampled lakes in 2016 (no data between 2009-2015)
■ = data available
□ = no data available or accessible at the time of the report

Water Body	Natural History			Water Quality						Aquatic Diversity
